DOGS EVERYWHERE ARE ENJOYING THE INCREASED PRESENCE OF THEIR **HUMANS AT HOME!**

## BETTER TOGETHER JOIN YOUR DOG IN:

### OUTSIDE PLAY:

Avoid areas with large gatherings of people and be cautious of potential exposure at dog parks—gate handles, waste receptacles, etc.

### INDOOR PLAY:

**Search games** - Place treats or toys around the house and reward for discovering!

**Hide and seek** - Hide in locations around your house! With minimal leading or noise clues to help, tell your dog to find!

### TRAINING:

Polish the basic commands (sit, down, stay), and work on new tricks (shake, speak, roll-over)

## WORK TO BE DONE? KEEP YOUR PUP ENGAGED WITH SOLO ACTIVITIES:
